WELCOME & INTRODUCTION BY CHAIRMAN **REPORT ON YEAR'S ACTIVITIES**

The Chairman welcomed those present and gave a report on the year's activities/

OPEN FORUM

Mr Colin Day attended and reported again that he had concerns re road safety issues and pedestrian difficulties caused by the installation as long ago as 2003 of a new water main by Anglian Water. It is understood that N Lincs Council identified a damaged road gully pipe but negotiations with Anglian Water came to nothing as the latter considered it no longer their responsibility due to the passage of time. Nothing has happened since with the result that after heavy rain there is flooding (danger of vehicles aquaplaning) and footpath users risk being swamped with water.

With these possible hazards, it is felt that the matter needs to be resolved.

N Lincs Cllr N Sherwood will speak to the Highways Maintenance Officer on the matter and the Parish Council will support this by sending a copy of Mr Day's notes and site description to Highways.

MATTERS FOR FURTHER DISCUSSION - None

The Chairman closed the meeting at 7.50 pm.
