EASTER 2012

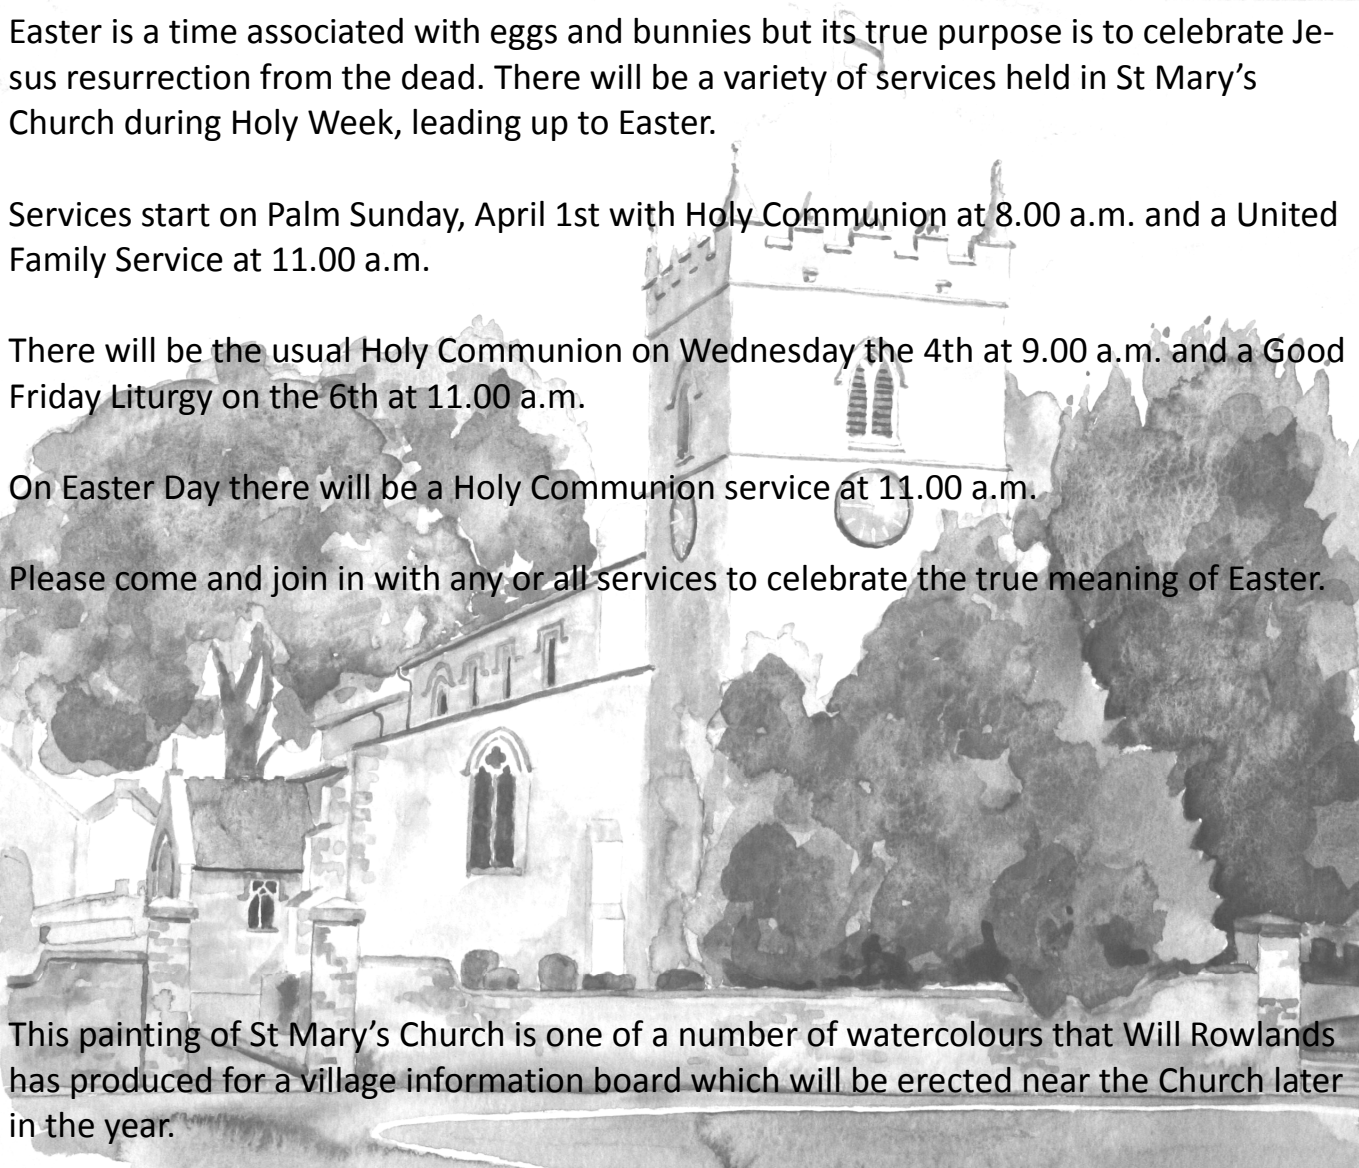

Easter is a time associated with eggs and bunnies but its true purpose is to celebrate Jesus resurrection from the dead. There will be a variety of services held in St Mary's Church during Holy Week, leading up to Easter.

Services start on Palm Sunday, April 1st with Holy Communion at 8.00 a.m. and a United Family Service at 11.00 a.m.

There will be the usual Holy Communion on Wednesday the 4th at 9.00 a.m. and a Good Friday Liturgy on the 6th at 11.00 a.m.

On Easter Day there will be a Holy Communion service at 11.00 a.m.

Please come and join in with any or all services to celebrate the true meaning of Easter.

This painting of St Mary's Church is one of a number of watercolours that Will Rowlands has produced for a village information board which will be erected near the Church later in the year.

EVERY CLICK CAN HELP THE CHURCH

Ever wondered how Google and Yahoo make so much money? They charge the retailers and businesses you visit from one of their "searches" – only a very small amount but with many millions of searches every day they make a lot of money. Now you can re-direct some of that money to St Mary's Wrawby simply by searching through a charity website called EveryClick. It provides a search engine, powered by Yahoo, which lets you search the internet in exactly the same way you already do, but in this case EveryClick will receive a fee for every search and this fee goes to your nominated charity – hopefully St Mary's Church Wrawby. It is quite literally money for nothing – or nothing more than you would be doing anyway.

Even better than that, however, is EveryClick's shopping site Give As You Live, which has arranged with thousands of national businesses (including Amazon and e-bay) to pay a percentage of any sales made via Give As You Live – again for doing nothing more than buying what you would have anyway and at the same price you would have paid. Great you say but what do I have to do? Very little actually.

To get going, go the EveryClick website www.everyclick.com and register – very easy to do. Once you are registered, simply click on the charities tab in the top right hand corner and select St Mary's Church Wrawby as your chosen charity from the list of charities. Every search you then make from EveryClick then earns money for the church. You can see how much you have earned on your account and see how much has been raised for the church in total. You can also set Every Click as your homepage if wish – that way you won't miss a single search payment.

To join Give As You Live, go to www.everyclick.com and click on the Find Out More button in the Give As You Live section and download Give As You Live. It is very safe and straightforward and there are clear instructions. Then simply start your shopping from the Give As You Live website- again very easy to use.

If you shop online already, it really is money for nothing and the Give As You Live payments mount up very quickly.

Wrawby Neighbourhood Watch

In February 4 members of the Neighbourhood Watch committee attended a meeting in Scunthorpe organised by the Safer Neighbourhoods team. Speakers gave us an update with regard to metal thefts, an interesting item regarding safeguarding your laptop or android phone and information about a charity being launched called Crimestoppers.

Regarding laptops, if your laptop or mobile phone is stolen, you can help the police find it. Software now exists which will allow you to locate your stolen laptop or android mobile. Alternatively it can record what is being viewed on your screen or take a picture on the camera which can help identify the product's location. Some software has a charge, but there are some downloadable programmes which are free. Search the web for "free laptop tracking programs" or use www.preyproject.com

Also, if your property is stolen make sure you can describe it to the police by keeping a record of makes, models and unique serial numbers or by registering the details onto www.immobilise.com This is a web based property records system, endorsed and searchable by all UK Police Forces and can help ensure stolen property can be identified and help bring offenders to justice.

The charity **Crimestoppers** is an independent charity which respects your anonymity. It is not the police, they won't ask your name, and will never record or trace your call and you will never have to go to court. The police cannot solve crime on their own, they need your help. When someone talks to **Crimestoppers**, they talk to a specially trained person who then passes on your information to the police. A team of 14 people are based in Humberside to deal with your calls 24/7. At no time will your personal details be asked for. 74% of people will not report crime to the police. Information is needed from the public about people who commit crimes and the **Crimestoppers** number to call with any information is **0800 555 111**.

This is **not** a number to call about crimes in progress, you must still **dial 999**. It is to give anonymous information about criminals, crime scenes, drugs etc. which will be passed on to the police and which they may find useful in providing the missing link, enabling someone to be charged with a crime.

Humberside **Crimestoppers** operates 24/7 and across the UK every 9 days one person is charged with murder, thanks to calls to **Crimestoppers** and £200,000,000 of drugs have been taken off the streets, so please use this number if you have any helpful information.

Wrawby 'Make and Sale'

Following a successful initial meeting the 'Wrawby Make and Sale' group was formed. Our intention is to meet monthly and pool our resources and ideas to produce items for sale to raise funds for various groups and charities.

The next get-together will be on Thursday April 19th at 1.30 p.m. in St Mary's Church, Wrawby. Feel free to drop in and join us, bring your ideas and any resources you would like to share. If you are unable to make a Thursday afternoon and want to know more, please contact Kath Flewker on 656446.

Notes from 6th March Parish Council Meeting

Police Matters

For January 2012, the police recorded only one crime in Wrawby (affray in a private dwelling) together with 7 other minor matters (traffic incidents etc.) Once again, these figures are very encouraging, but the need to stay vigilant remains. Please report anything suspicious, however minor it may seem. The non-emergency number is 101, and ask for Brigg Police Station.

Voluntary Car Service/Mini Bus Service

These schemes, financially supported by Wrawby Parish Council, are run by Humber and Wolds Rural Community Council. The Voluntary Car Service (VCS) is available to anyone who requires transport to doctors, hospitals, opticians, shops etc. and who either does not have access to public or private transport, or for health reasons cannot use public transport. Passengers pay voluntary drivers a mileage rate of 43p per mile - no payment is made to HWRCC. During the past year, over 8000 passenger journeys were arranged for N. Lincs residents. All drivers are CRB checked. 48 hour notice is required and the number is 01724 732560 (Robin Bradshaw). Anyone wishing to join the volunteer drivers pool must have a valid driving licence and own their own car - the service always requires more drivers. Please use the contact details above if you think you could help.

The Mini-bus service provides wheelchair accessible mini-buses with trained volunteer drivers for use by community groups and individuals with severe mobility problems. HWRCC currently runs and operates 2 such vehicles with 21 community groups registered with it. Once again, the contact details are: telephone 01724 732560 (Robin Bradshaw).

Village Hall

The Village Hall has recently been re-decorated and new carpeting has been laid in the vestibule. New tables, costing nearly £500, are on order and will shortly be delivered. The Hall is an amenity second to none and should anyone wish to organise a function, please contact Sue Day on 653699 for details.

The Parish Council, through the Village Hall Committee, continues to invest heavily in the Hall facilities - it is an excellent local facility with good car parking - please use it.

It is particularly disappointing, in view of the above, to report that odd incidents of vandalism, usually involving footballs being kicked against the walls and doors, are once again being seen. As residents may recall, the Hall and car park were previously targeted by vandals, but after speaking with the police, certain measures were taken (car park barrier, perimeter concrete ridge etc) involving council (and therefore residents) expenditure. Can all residents please ensure that present acts of vandalism are eradicated completely to ensure that the Village Hall remains a valuable local facility.

I was talking to some friends recently, and one of them commented "...there always seems to be something going on in Wrawby". It made me think about why this is so... There are a number of people who are very community spirited and put a lot of effort into getting people together. There are secretaries and treasurers and people running the various groups, they are the movers, shakers and doers!

But whilst it takes all sorts of organisers to make a community, there have to be people who are just happy to come along and support events, to 'show their face', have a cup of tea, to meet friends and have a chat - both things are needed if things are going to succeed. There are lots of Wrawby folk who are very friendly and sociable.

The village hall lunches are something that I hear lots of people talking about, and I know the people who go thoroughly enjoy the food and company. Mary Tustin and her band of helpers deserve credit for the success of this event.

And if you haven't yet been along to the coffee mornings held in St Marys Church on the 1st Saturday of the month, then I would definitely suggest that you to pop in some time. - some people come along on a regular basis, but lots more attend occasionally, spending maybe only 15 or 20 minutes, to catch up on news and enjoy one of Janice Keilthy's cream scones (I estimated re-

cently, that over the years the coffee morning has been running, she has made 3,000!).

New groups are still springing up! Last week my mum and I went along to the 1st meeting of the group that Kath Flewker and Liz Hirst are setting up, hoping to share different types of arts and crafts to raise money for local and maybe even wider causes - watch the magazine for more details about this.

Then I can't forget about the Wrawby Community Choir that meets in Church on a Wednesday night..... and of course there are so many more. We all know the well known phrase "no man is an island" - written, I think, by the Christian, John Donne. People do not thrive when isolated from others.

And so, as Easter approaches, I would encourage you come to Church to celebrate this Christian festival, which marks the death and the resurrection of Jesus. There has been a Christian community at the centre of Wrawby for centuries, and this has been a place where people can get together and share their Christian faith, their life, their gifts, learn new things, meet new people and share fellowship; all within the love of God.

Without community spirit our village would be just another village. Without a church and Christian worship, it would have no soul!
