BE CAREFUL WHEN AN UNEXPECTED CALLER KNOCKS AT YOUR DOOR

Before you open the door check to see who it is by looking through your front window or by using a door viewer if you have one.

Only open the door when you have put the chain on.

Get a good look at their clothing. Some official callers will have a uniform bearing their Company or Organisation logo.

Utility services may operate a password system, contact your local branch to find out more

Suggest that the caller should come back later, you can then check their story by telephoning the Organisation or Company they claim to represent

Check any phone number they give you in your own telephone directory.

Do not rely on the number on their card - it may be the number of their partner in crime.

Always keep your doors locked, even when you are in the property.

Let the Police and your neighbours know if you have had a suspicious caller at the door.

Locks and chains are only a deterrent if they are used!

Emergency situations can arise. Do not leave the door chain on all the time as this may cause a delay. Only put the chain on before answering the door.

Remember if in doubt....KEEP THEM OUT!

Beware of BOGUS CALLERS!!

MARY TUSTIN

David Tustin writes:

The past few weeks, during the period of Mary's final illness and death followed by my own spell in Grimsby hospital for a hip replacement operation, have been extremely challenging, but I want everyone to know how greatly I have been borne up and carried along by the prayers, good wishes and kind enquiries of so many people in our lovely, caring village community of Wrawby.

On behalf of my son Nick (who soon returns to the USA with his wife Heekyung), our daughter Juliet (who lives with her family in Grimsby), and myself I would like to express publicly through this magazine how very much we appreciate the enormous wave of sympathy and support we have received.

The astonishing number of people who turned up at St Mary's on February 28th to celebrate Mary's life helped to make this a joyous and inspiring occasion that I shall never forget. Heart-felt thanks to you all!

David

The editors of this magazine would like to echo the sadness that all of those who knew Mary have felt since the time her terminal illness was diagnosed, and the tributes that were made at her funeral.

Mary's contributions to our village community have featured regularly in our pages. As a member of the PCC, Chairman of the local branch of Christian Aid, and founder of the Village Hall Lunches she worked selflessly for the benefit of the Wrawby community and many others further afield.

In the Grimsby Telegraph's obituary, David says that Mary's contribution to the local community went far beyond her duties as a Bishop's wife. We in Wrawby know that she carried on in the same vein after they had both retired.

The same article hailed Mary as "a true inspiration to us all". Those of us that knew her can only agree. She was a loyal friend to so many of us and we will miss her.

You can read the Grimsby Telegraph article at <http://www.grimsbytelegraph.co.uk/>

WRABBY MILL WINE TASTING

In late February the Wrawby Windmill Preservation Society organised another of the popular wine tasting events. This one had a slightly different format as it was a Call My Bluff evening with the audience having to decide which of the 3 on the panel was giving the true and correct description of the wines that they tasted!

Some very interesting & amusing descriptions were given, most of which were very plausible. There was also a quiz about the wines and at the end the winning table won a bottle of wine.

Supper was pie & peas with gateaux to follow, and of course there was a raffle. The evening was a great success and £700 was raised for the mill. Many thanks to those who organised the evening and those who came to support it.

Wrawby Park - Have Your Say!!

We are still trying to raise funds to improve Wrawby Park. As part of a funding application we are putting together, we are carrying out a consultation questionnaire to find out what people in the village think of the park in it's current state, what new equipment people would like to see in the park, and the age demographic of people using the park.

If you have a few minutes to spare, we would appreciate it if you would take the time to let us know what you think and complete our questionnaire which is available on the home page of the Wrawby Web Site. (www.wrawby.org)

We will let you know how we go with our funding application. Keep everything crossed for us!!

PARISH COUNCIL NEWS from 4th MARCH Meetings

Public Meeting and AGM: The Parish Council Chairman gave his annual report on Council activities over the last year. It is felt that the village is showing an increased community spirit and this was boosted by the village winning the Best Kept Village competition. Thanks are due to the people maintaining the flower beds and to the "litter picking" teams who have done so much to enhance the overall appearance of the village. The Chairman expressed his thanks to the Ward Councillors for their ongoing advice and support. He also expressed Council's appreciation for the efficient running of the Village Hall by Susan Day and her team.

During the past year Council supported various organisations and individuals with financial help and it was particularly encouraging that all activities and donations were undertaken whilst costs were kept under control, with the required 2014-5 precept being reduced by £3000 compared with last year.

All the officers for the Council expressed their willingness to continue in post and all were re-elected.

Parish Council Meeting: Wrawby is to commemorate the anniversary of WW1 by organising various events over the weekend 8-10th August. The Parish Council is supporting the Committee which has been set up to organise this and several fund-raising events are to be held. The Committee are seeking volunteers. Please contact any of the following if you could help: Kay Rothery (65331), Louise Tandon (653526) and Kirstin May (658206).

Council was informed by the Ward Councillor of the recent North Lincs. Council budget meeting. Substantial sums have been allocated in next year's budget for Highways requirements (continuing pothole work etc.) and for the recent flood problems. North Lincs. is to continue to provide defibrillation units throughout the region in public buildings (schools etc.) and a training programme will continue.

Council once again discussed the ongoing problem of inconsiderate parking on Vicarage Road around the school, particularly at school leaving times. Council is extremely worried regarding the possibility of emergency services (ambulance, fire engine etc. needing access and being unable to get through the parked vehicles. Police records indicate that they have recently been called out on a number of occasions by concerned residents. The matter has now been raised with North Lincs. Council and North Lincolnshire Homes who both promise action. Council will keep this matter under consideration.

Kay Rothery sent us the following in her role as a Parish Councillor:

A big Thank You to Keepmoat (who refurbished Wold Court), who very kindly built the smart planters for us, that now grace three entrances to the village. A big thank you also to Richard Stephenson who at the eleventh hour was able to supply the tons of top soil required to fill them, John and Sean Greenfield who helped my husband and I fill the planters, and Colin Day who kindly lent us a fork lift to carry the soil to the sites. These raised beds are a great enhancement to the village and for all those people who dislike the tyres at the entrance to Vicarage Avenue, they will shortly be replaced by something more attractive. I must not forget to thank those who kindly water the plants throughout the year, it makes looking after the flower beds very much easier.

As I write, I am still smiling to myself about the "Only fools and horses" sketch on Sport Relief night. For years I laughed at the easy humour of Del Boy and Rodney, and one of my all-time favourite sketches is Del Boy telling Trigger to "play it nice and cool" as he falls through the bar. To see David Beckham echo this move really made me laugh out loud. Other bits of Sport Relief made me feel like crying, and another clip I will remember for a long time was Davina McColl swimming across a freezing cold lake, being carried from it by some of her support team, and then being slowly warmed back up to normal body temperature before she carried on with the next leg of her challenge. I must say I have never had an opinion one way or the other about Davina, but after watching her determination, staying power, willingness to keep going and sheer perseverance, I have now placed her on a small pedestal and she will be someone I always admire for doing what she did.

Events like Sport Relief bring out the best in so many people and I am certain that there will be those viewers who watched the scenes broadcast throughout the evening, with a sense of amazement at what one human being will put themselves through, in order to ease the life or suffering of another person. At times when there is so much bad news on our screens it is good to remember that there are those who strive to bring relief to those who live in very difficult circumstances. In the midst of all this I did wonder if any of the people who Davina was running for, would ever get to know how much she put herself through in order to raise funds to help them. One lady, enduring such a demanding physical and mental challenge for people she hardly knows.

And all this brought me round to thinking about how Jesus endured what he did for people who would ignore him, turn their back on him, ridicule him and finally kill him. In the words of some of the pupils at school "I can't get my head around it". And I can't. I find Lent a really challenging time of year, and admit to feeling a huge sense of relief when we arrive at Easter Sunday and I can try and put the suffering at the back of my mind. How did Jesus endure the pain and anguish of those final few weeks of his earthly life, knowing, even as he rode into Jerusalem to loud cheers, that this was all going to end the way it did?

I like to think that Davina will someday meet up again with some of the ladies that she ran for, and that someone will have told them just how she pushed herself to the very limits for them. I hope they will understand and be able to say thank you even if they don't quite appreciate how amazing she was.

I like to think the world would say the same to Jesus, but it seems that so many either don't believe it, don't believe it included them, or couldn't care less. Something else I can't get my head around is knowing that Jesus would still do what he did, despite so many people feeling that way. Maybe the answer is in Matthew 22: verses 37-40. If you have a spare minute, check it out!
