Wrawby is an area of low crime but the Brigg Neighbourhood Team pay regular passing attention to the village. During recent patrols the PCSOs came across some offensive graffiti on the play equipment in the park on Wrawby Playing Field. At their request NLC Neighbourhood Services promptly removed this within two days. Don't forget that you can contact Crime Stoppers on **0800 555 111** or alternatively log on to [www.crimestoppersuk.org](http://www.crimestoppersuk.org) and complete the online form if you witness a crime or have any information regarding criminal activity.

## VILLAGE HALL NEWS

At the recent meeting of the Village Hall committee it was planned that in the near future the heating system will be sorted out, the front windows replaced, new fire doors put in, the outside light be mended and other smaller jobs done. The Parish Council will help with the cost of these projects.

The kitchen also needs some work doing to it and money is currently being raised for the new cooker. At the meeting £134 was given to the Treasurer by Kirstin May and Louise Tandon who raised this amount, with help from friends, by having teas in the village hall over the last few Tuesday afternoons. Thanks to their hard work, and an anonymous donation of £120, and the money already raised at the Tuesday lunches by Mary Tustin and her helpers, the cooker should be replaced before too long.

The committee would be pleased to hear from anyone able to donate items such as highchairs (folding ones please!), a baby changing unit and kitchen utensils – wooden spoons, kitchen scissors, sharp knives, pans of various sizes, spatulas etc to contact the Chairman on 653699 or any member of the committee.

The piano in the hall has been tuned recently and the committee would ask that it not be moved when the hall is hired unless the committee is there to oversee this. A key is available from the Chairman should any group wish to use it when hiring the hall. Children must NOT be allowed to play on it at any time as that may cause it to need tuning again and that is a cost that the committee can do without!

There will be an "Antiques Quiz Night" on Friday 16<sup>th</sup> October 2009. A similar event was held a few years ago was very successful. As tickets will be limited please put the date in your diaries and look out for further details in the coming months!

## WRAWBY MILL

Although there is only one Open Day left (Monday 31st August) this year, villagers can buy items sold at the Mill such as mugs, tea towels, prints, coasters, mats and notelets etc at any time during the year from the Secretary of the Windmill Society - Susan Day (653699).

Please contact Susan for further information and to see the wide range of goods on offer at bargain prices! They make excellent gifts.

### Please Slow Down

Despite the 30mph speed limit on Brigg Road through the village, which is clearly signposted, there have been reports of the difficulties residents are facing at times crossing the road, particularly on the school run, because of speeding vehicles.

The local policing team agree with these concerns, and highlight that this road is in the top 30 risk areas in North Lincolnshire which, although troubling, means that funding towards enforcement activity has been allocated to Wrawby at some point this year. They recommend that as a village we let them know of any "near misses" so that our priority in the funding list goes up.

So please remember to observe the 30 mph limit as well as the 40mph limit along Barton Road, which is also frequently ignored by residents and encourage your family members and friends to do the same – we want our children to be safe when they are crossing the road..

## PARISH COUNCIL

**Police Report** - Once again there was little of note in June although the 'milk saga' referred to previously, continues. Two men have now been seen touting for business for milk deliveries. Two instances of criminal damage took place at the same address and there was one report of general rowdy behaviour. Parishioners are asked to remain vigilant and report anything to the police. Whilst on this subject, the Parish Council is at present looking at replacing windows, grills etc. at the Village Hall, damaged in the past by sheer vandalism. Estimates are being obtained but it is clear that the total cost for all the work will be in the region of £4000. This will fall on the parishioners of Wrawby through the precept, but could have easily been avoided. Once again, it is stressed that the Village Hall is a facility for **ALL** Wrawby people - to damage it simply for the sake of it seems pointless.

**Highways** - The Highways Dept at North Lincs Council has advised that the resurfacing work on the southbound A15 from Bonby Lodge to Barnetby Top will commence on 22nd August until 26 August 2009. The work will be done primarily between 7pm and 6am. During this time a road closure of the southbound carriageway will be in operation, with no access to Elsham Wold Industrial Estate. A single lane closure will be in operation during the daytime period 6am to 7pm, along with a mandatory 50mph speed limit. The northbound dual carriageway (towards the Humber Bridge) is not affected. Highways also advise that an A18 Barnetby Top scheme is also to be undertaken from 25 August to 6 September 2009. Resurfacing of both the A18/A15 roundabout and the A18 Barnetby junction will take place. Work on the roundabout will be done in phases and will necessitate a series of road closures. The junction works will be controlled using temporary traffic lights. Diversions for both schemes will be signed.

## Church Planned Giving Scheme

The increasing costs of maintaining and running the church have far outstripped the regular receipts from collections, donations and fundraising at the church. So much so that we can no longer rely on reserves but must do something more to increase our income. A new planned giving campaign is being introduced in September and October, with a special evening on Monday 28<sup>th</sup> September, when the Dean of Lincoln Cathedral will be the guest speaker.

If you are not a regular church goer, you may well say "what has that got to do with me?". Probably quite a lot actually. Would Christmas be quite as special without a Christingle service? Would the end of each school term be quite as memorable, without the school service? Then there are baptisms, weddings and funerals, the Teddy Bears Club, Coffee Mornings and on and on!! In short most residents of Wrawby either visit or are involved with church more often than they think. This magazine only exists through the work of the church. Would Wrawby be the same without its central public building?

More information will be included in next month's magazine, but if you would like to get involved, please contact any member of the PCC.

## St Mary's Sunday School

A new Sunday school has started at St Mary's. We meet on 2<sup>nd</sup> and 4<sup>th</sup> Sundays of the month in the side room in the church. Led by a group of parents (coordinated by Becky and Marion), there is a story linking the Sunday school to the church service and an activity for the children to do. We rejoin the congregation after half an hour, and then at the end of the service, Father Owain has a "chat" with the kids to find out what they've been doing and share with the congregation their pictures or stories. It's very informal and fun and there's no commitment to come every time - just pop in any time you can. We'd love to see you - you're never too young (our youngest is now 4 months!) or old to get involved!

What do people mean by the word 'Church'? Is it the building? Is it the people who attend? Is it the work of the people who use the building? Or perhaps it is all of the above, and much more. And what do the people who use the building and turn up to do the work actually do? At the heart of any Church, its life, work and identity, must be two things. There must be prayer and there must be action.

It is a difficult challenge for any Church to get the balance between stillness and activity right. A Church needs to be a place of prayer; praying for the world, the community in which it is located, the people it is called to serve, and for itself, its own needs, direction and so on. In St. Mary's many of us gather each Sunday, Wednesday and Friday to create this space in our hectic lives in order to pray for those who are sick, or who have died. We pray for our school and for Wold Court, Wrawby Hall and the elderly and infirm. We pray for our Parish Council and for the groups and organisations within Wrawby that seek to enrich our lives, from the football groups to the horticultural society and for the various events that take place in our community.

But a Church must also be a place of activity. The people of St. Mary's seek to serve the community. Again, the variety of ways in which we do this is very broad. Each month, for example, a Church Service takes place in the two care homes, Fr. David and I visit the sick and bereaved. Members of the Congregation organise and run various lunch groups throughout the year. We have the toddlers group which meets on the first Wednesday of the month for young families to meet up and spend time together. Both the clergy and laity visit the school frequently each week in order to contribute to the excellent work that goes on there. Nurture courses are regularly run for those who wish to begin to think through their faith and confirmation courses and Bible Study help those who wish to deepen their faith. And this is only a small part of what we do.

For those of us involved in the Church here in Wrawby, to pray for and serve our community in good times and in facing the difficulties of life is a real privilege. It enriches our common life and has led to many wonderful relationships being formed with the wider community. And all relationships in life must be built on to deepen them. So if you, a friend or neighbour, or anyone you know of needs the prayers or the active support of the Church, please do not hesitate to contact the Vicar or Curate and we can arrange to meet up and chat about what's going on.

With my prayers and every blessing, Fr. Owain
