It could never happen at the Commonwealth games...

A javelin thrower called Vicky, found the grip of her javelin sticky

When it came to the throw, she couldn't let go

Making judging the distance quite tricky

How do you start a Jelly race? Get set...!

Did you hear about the hopeless athlete? He ran a bath and came second.

Why did the bald man take up running? To get some fresh 'air....

A girl bumps into a man carrying an eight-foot long metal stick. "Excuse me," she says, "are you a pole vaulter?" "No," says the man, "I'm German but how did you know my name is Walter?"

Why did the liquorice enter the Decathlon? Because it was a liquorice all sport!

Why isn't sun-tanning a Commonwealth sport? Because the best you can ever get is bronze...

A gymnast walks into a bar.... He gets a two-point deduction and ruins his chances of a medal!

WRABY 1914 LIVING HISTORY DAY

From 1.30pm to 6pm on Sunday 10th August we will be trying to recreate life as it would have been in Wrawby at the outbreak of the first world war. There will be a variety of crafts, games and activities to have a go at. We will have homing pigeons to handle and a blacksmith to watch at work as well as a display of vintage vehicles and bikes. During the afternoon there will be entertainment from a folk singer, a fiddle group, dancers and hopefully a drill display. MP Andrew Percy will make a speech at 2.45pm. We are also hoping to have a replica trench to view so that the children can get a feel for the conditions the soldiers had to survive in.

Work done by the children of the school and pre-school will displayed in the village hall. The younger children have also made poppies which will make a garden of remembrance in the churchyard. It is really amazing work. "Some of the writings are real tear jerkers."

The windmill will also be open from 2-5pm and Mr Lingard has kindly agreed to open his museum on Tunnel Road for people to view as well. Entry to all these events and the FLOWER FESTIVAL in church is FREE. We hope to see everyone at what should hopefully be a really enjoyable day.

Tickets are still available for the Dance on Saturday 9th August at 7.30pm. The tickets cost £10 per head and include a ploughman's supper. Please phone 01652 65326or 658206 to buy them.

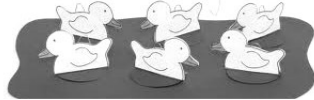

Wrawby Fun Day 16th August

Wrawby Village Hall from 10am - 2pm.

Fun for all the family including bouncy castle, face painting, balloon modelling, raffle, hook a duck, stalls and much, much more. There will also be various demonstrations going on throughout the day and food available to buy.

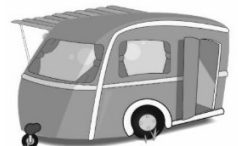

Please come along and enjoy the fun and help to raise money for the Disney ward at Scunthorpe hospital.

If you would like to book a stall (£5 a table) or demonstration then please contact Sue Lambert on 07900 683513.

CARAVAN WANTED

The Wrawby Mill
Preservation Society

is on the hunt for a replacement caravan for use at the mill on Open Days! The committee uses the caravan to make and serve tea/coffee/squash/scones etc and the one they currently use has reached the end of its life. They only need a small caravan & it does not matter if it is an old van so long as it is weatherproof & has a working gas hob/ring. The committee would love to hear from anyone who has a caravan they would like to donate/sell to the mill. Please call Susan Day on 01652 653699.

Thank You

I would like to say a big heartfelt Thank You to all those who bestowed cards, gifts and Best Wishes to me on the occasion of my retirement from Wrawby Pre-school.

It has given me enormous pleasure over the last 26 years to have been part of such an important organisation within the community. I have had tremendous enjoyment looking after the children, sharing a part of their early years and being able to work in a place when every day has been different.

I have made many friends along the way amongst past and present parents and staff. My thanks of gratitude to my colleagues over the years who have been great allies and provided friendship and inspiration.

Thank you to each and everyone who has made my working life at "Wrawby Under Fives" so enjoyable.

There is no meeting in August but on 17 September you can get your body in good shape with "Chair Yoga" with Dorothy Foreman. For those of you who are wondering - this will include sitting on the chair and not standing (hopefully)!!

The meeting on 15 October includes a talk by Steve Ward from Uncle Henry's Farm Shop. Most of you will have sampled the delights on sale at Uncle Henry's at Grayingham and enjoyed the tasty food served in the restaurant. (The Farmer's Roll with a dash of brown sauce is a lovely treat for lunch - try it). This promises to be a very interesting insight into growing and preparing locally produced food.

Both meetings start at 8pm in the Village Hall - refreshments will be available and everyone is welcome.

WRAWBY PRE - SCHOOL

Wrawby Pre-school is embarking upon exciting times with work having already started on its new building. The building will be a permanent brick structure and fundraising by villagers over the years has enabled the new building to remain in the ownership of Wrawby under-fives Association. The target completion date is December this year, with Autumn term sessions running in the village hall.

The committee still needs to raise a final £10,000 and as always, any donations are gratefully received. In particular, it is still possible, for a limited time, to show your support by 'buying a brick' for as little as £5.00. Simply put your chosen amount, together with a note of the names to be included in the new building, in an envelope and send to Kate Prior at 6 Dovecote Meadows in Wrawby.

I was working at Jim's computer a few weeks ago when an email came in saying "Dear Kathryn, your Tile is ready for shipping...can you confirm your delivery address?"

I knew I certainly hadn't ordered a "tile" - why would I order a single tile rather than a couple of boxes? - so I was puzzled by this. I was even more puzzled when I asked Jim about it. He told me it was a product that he had bought in March 2013 as part of a 'crowd funded' business. The "tile" was a little plastic square with some electronics in it that will allow him to locate the item he attached it to using an App on his mobile phone. Excellent if you are in the habit of misplacing /losing/having things stolen. I asked him to explain what "crowd-funding" was, and confess I'm not really a lot wiser, even after a lengthy explanation.

All this made me wonder about two things - firstly, how technology is advancing at a rate of knots (and leaving me way behind in the dark ages - I still struggle to use my mobile to text coherently) and secondly, how our language is changing.

My Grandad was a bricklayer and I remember when I was quite small going out with him when he was doing some work and watching him tiling - putting tiles on someone's kitchen wall. The last time I had anything to do with an App, I got a job as a result of my application, and as for crowd funding- Eh????

I am certain that there will be many folk reading this article shaking their heads in despair at my inability to move with the times. I am also certain that there will be more than a handful of folk agreeing with me, and recognising the same lack of understanding in themselves that I've mentioned. Times change and language and words change.

But some words are timeless and their meaning hasn't changed: Love. Peace. Faith. God. To the best of my knowledge these words still mean the same today as they did 200 years ago, 2000 years ago. God is unchanging. His love for us is unchanging. The peace we receive from God is still " beyond all understanding". And faith is still as personal now as 2000 years ago. In my teens I had a badge that said "Jesus Christ, the same yesterday, today and forever". I think there is something very secure and timeless in that statement.

50 years ago a "tile" was a ceramic square that was glued to your kitchen or bathroom wall. Apparently, today it can also mean a small piece of plastic with an electronic component that helps you keep track of an important item. I wonder just what it might mean in another 50 years?

Whatever it means, we can be certain, that the meaning of God's love for us hasn't changed, and never will.

Kate Marr

PS the more 'techy' amongst you might want to check out <http://www.thetileapp.com> just incase you are like Jim.

You might be all able to find each other!
