GENUINE NOTES LEFT IN MILK BOTTLES FOR VARIOUS MILKMEN

From now on please leave two pints every other day and one pint on the days in between, except Wednesdays and Saturdays when I don't want any milk.

My back door is open. Please put milk in fridge, get money out of cup in drawer and leave change on kitchen table in pence, because we want to play bingo tonight.

Please leave no milk today. When I say today, I mean tomorrow, for I wrote this note yesterday.

Cancel one pint after the day after today.

Milkman, please close the gate behind you because the birds keep pecking the tops off the milk.

Milkman, please could I have a loaf but not bread today.

Sorry about yesterday's note. I didn't mean one egg and a dozen pints, but the other way round.

When you leave my milk knock on my bedroom window and wake me because I want you to give me a hand to turn the mattress.

My daughter says she wants a milkshake. Do you shake it before you deliver or do I?

Please knock. My TV's broken down and I missed last night's Coronation Street . If you saw it, will you tell me what happened over a cup of tea

No milk. Please do not leave milk at No. 14 either as he is dead until further notice.

When you leave the milk please put the coal on the boiler, let dog out and put newspaper inside the screen door. P.S. Don't leave any milk.

PARISH COUNCIL NEWS - June Meeting

1. Police Matters

The police advise that recorded crimes in April totalled only 2 - one common assault and one theft from a motor vehicle. Included in other occasions when the police were called were four incidents that aroused people's suspicions. The police are appreciative of being called to suspicious activities and continued vigilance is requested.

Since the report, the police have been investigating circumstances surrounding serious mouth and face injuries to a cat in the Bakersfield area of the village in May. Thankfully, after veterinary treatment and an operation, the cat is recovering well. The vet believes that its injuries were not the result of a road accident - anyone who has any information should ring 101 and ask for Brigg Police Station.

2. Information Board

Council is sure that residents will have noted the installation of the village interpretive board and stone opposite Vicarage Motors, close to the Church. Two members of the council, Kay Rothery and Louise Tandon have worked hard on this facility and council is appreciative of their efforts. Many compliments have been received from residents and all in all this project is considered to have been a success.

3. Flower beds

Residents will have noticed flower beds situated on various sites in the village. Again, Kay and Louise along with Bob Green, have been instrumental in organising these. Council paid for the preparation of the beds and purchased the plants, with financial help from North Lincs Council who allocated a fund to help Parishes improve their villages to celebrate the recent Queen's Diamond Jubilee. Any help with the maintenance of these beds would be much appreciated - please ring Kay Rothery on 653315 or the Clerk Graham Foster on 651250 if you can help.

4. Playing Field Play Area

The condition of the play area (swings etc.) adjacent to the playing field is giving cause for concern. The facility is subject to a yearly inspection which last year highlighted various shortcomings which are being addressed. As usual, the problem is one of funding. Paul Dalton (tel 654665) is dealing with this matter and council wishes to assist him in getting this area in good condition for childrens use as quickly as possible. Various funding options are being investigated and it is likely that a village fund raising effort will be undertaken in the near future. In the meantime if anyone can help, please contact Paul who is working hard to re-establish this vital facility for the village.

Village Flower Beds and Village Map

Our village flower beds are planted and the village map installed beside the church, all in time for the Diamond Jubilee weekend. It has been a community effort with many people helping along the way to get these two projects to completion and make our village a little more attractive. Consequently, the Parish Council would like to thank the following - Chris Taylor and Bob Green for nurturing the plants and lending greenhouse space, John Sharpe (Nappa) for digging the flower beds and getting them ready for planting, Julie Smith and Pat Foster for helping with the planting, the volunteers who will keep the beds watered, John Greenfield for installing and planting the tyres which were given by James Smith Transport and the anonymous person who strimmed around the tyres after planting. Thanks also to John Walker and family for their support. The Village Map looks great too, so thanks to Will Rowlands for the lovely watercolours that decorate the board, the History Group for supplying the information, the Windmill Preservation Society for the mill wheel and Richard Day for his fork lift driving expertise. A huge thank you must also go to Brack Plant Hire who speedily and efficiently installed the map at very short notice.

The Best Kept Village Competition will be judged towards the end of July so please keep our village tidy, pick up any litter and get your gardens looking pretty (the judges love hanging baskets!) and perhaps with luck, we may not be near the bottom of our category this year.

WRABY NEIGHBOURHOOD WATCH

During warm weather, please be aware that opportunist crooks will take advantage of insecure doors and windows, especially when purses, wallets, mobile phones, laptops and handbags may be on view and can easily be taken without being spotted whilst you are elsewhere in the house or out in the garden.

With this in mind, police are asking residents to remain vigilant and make sure your house is secure during the day and at night, even if you are at home. To help the local community reduce the risk of becoming a victim of crime, Humberside Police offer the following advice.

Ensure that homes are secure at all times and don't leave potential entry points open and accessible.

Whilst out working in the garden, perhaps with a loud mower or power tool, leaving windows or doors wide open is an invitation for an opportunist sneak thief to enter your property and steal your valuables. The same applies with regard to sheds and garages. It only takes a second to close a door or window.

On a warm day, there might be a temptation to leave your vehicle parked on the drive with its windows open to allow fresh air to circulate, but this makes it easy for someone to take items from it or steal the vehicle.

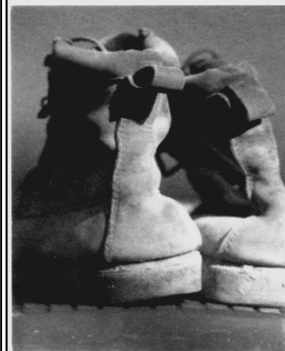

In all these circumstances outlined, there is the potential to loose valuable property, have your house burgled, or loose your car. Please remember to help us to help you! These kinds of thefts are committed by opportunists who could be wandering around your neighbourhood looking to take advantage of people who leave their property insecure. For crime prevention advice, please contact your local Neighbourhood Policing Team, speak to Safer Neighbourhoods or visit www.humbersidepolice.uk

Christian Aid Week Results

Wrawby people responded very generously to this year's Christian Aid week's appeal. A total of £1,190.36 was given, a fantastic result and a record for the village. Thank you all very much indeed. A further £136.13 was raised by the people who signed the gift aid form on the envelopes, which gets tax refunded back from the Government making a grand total of £1,326.49.

An enormous thank you to the 24 people from the village who went round and collected and did a great job!

The money will help people in areas of poverty in the world. Christian Aid helps communities help themselves. For example, in some areas of extreme poverty by working through local partners Christian Aid provide simple tools, seeds, knowledge and expertise to the villagers so more food can be produced and their families fed. When this happens the health of people improves and less children die. It is not a quick fix, it takes several years. As life gets better often the thing people want most is a school for their children, and they work as a community towards building a school room for them.

In this way, amounts of money given by us to Christian Aid, make a difference to the lives of others. Thank you from them!

WOLD COURT WRAWBY

North Lincolnshire Homes has been carrying out an extensive review of the sheltered housing within its stock and as part of this review the remodelling of the existing Wold Court in Wrawby has been approved. This means the building will not be demolished. Work to draw up plans and designs for the scheme will commence in the very near future and they will include the following items of work.

- Conversion of small bedsit flats into large 1 bed and 2 bed apartments
- Installation of modern kitchens and other fitments
- Level access and wet room showers
- Modern heating, electrical and lighting
- Refurbished communal areas with modern furniture, decor and facilities
- External makeover with improved insulation
- Environmental and access improvements
- The installation of passenger lifts And much more

Once works are agreed and planning permission is in place, a contractor will be selected to carry out the works which are expected to take up to a year in total. Over the coming months the current residents will be re-homed either temporarily, or permanently if they wish, to allow the works to be completed. As yet it is difficult to say exactly when the work will commence but hopefully it will be towards the end of 2012. It is the aim of NLH to work with the local community through this process and ultimately provide a building that gives residents the comfort they need whilst complimenting the local surroundings.

Olympic Thank You

I would like you to pass on please my thanks to the villagers of Wrawby. I was an Olympic Torch Ambassador along the route for the Olympic Torch (the people in the orange T Shirts) My Rotary colleague and I had to be there early to be ready for the expected crowds. People were so lovely, one villager brought us sandwiches, drinks and chairs, another realised we might need the facilities and said we could use the ones in their house if required, others asked if we need refreshments as the time went on. The village looked superb and the sense of community spirit was tangible. My partner covering the schools area said how lovely it was for the children with bouncy council and free refreshments.

Thank you all so much for all your efforts, my colleague and I certainly appreciated them and the crowd did too with all the decorations.

What a lovely village!

Wrawby WI would like to thank everyone for their support in contributing to the success of our Barn Dance held in the Village Hall 16th June 2012. It was a very enjoyable fun evening with dancing, lots of laughter and a ploughman's supper. The evening raised £320.00 which will go towards sending a member on a residential course at Denman College. If you would like to be become a member of Wrawby WI or just want to know more about the WI, please ring the President, Jane Woolliscroft 01652 657959.

Lucy Hoyle's Blog—Due to technical problems, too complicated and boring to go into, Lucy's blog went off line just as the June issue was printed. It is now back on but with a slightly changed address—which is www.lucy-sailing.com

Louise Tandon would like to thank everyone who came to or sent money for the sponsor a frock day for the Dress a Girl Around the World charity. Almost £120 was raised, which will ensure many more dresses will reach the girls who need them.

On 14th and 15th July pupils from Wrawby school, Wrawby Community Choir and other Wrawby residents will be singing in the community opera, Cycle Song, which is being performed in Brumby Hall grounds, Scunthorpe. The open air event tells the story of Scunthorpe cyclist Lal White who won a silver medal in the 1920 Antwerp Olympics, and is part of the Cultural Olympiad. It promises to be a really spectacular evening with more than 1000 people taking part in the choir, orchestras and bands, alongside a cast of professional soloists. The audience is being encouraged to bring a picnic and there will be a firework display at the end of the performance. More information can be found at www.cyclesong.uk/event info.html

Third Olympic Torch Bearer from Wrawby. Sam Rowlett, age 13, recently moved to Wrawby from Grimsby—so doesn't show up on the London 2012 website as from Wrawby. Sam carried the flame through Sutton On Sea on 27th June. Congratulations Sam

Little Explorers playgroup runs 9.15—11.15 a.m. every Thursday in term-time in the Village Hall.

Methodist Coffee Mornings, with "those" cream scones, are held on the first Saturday of every month in St Mary's Church—10.00am to Noon. All are very welcome.

Over the years, I have sat in meetings where the basic Christian Ethos was forgotten, and our own human nature prevailed. People pushing their own agendas, cliques forming, tempers getting heated, too much talk and not enough action. People assuming more authority or greater rights and responsibilities than they in fact had, thus creating friction with fellow committee members. And then there are those who resign and let everyone else down when things didn't go their way. Anyone who is involved in meetings will have witnessed these types of things. Often, at the heart of negativity in meetings, is the use of territory. People fighting their own corner and not seeing the bigger picture. "We want to do a project, but it's only for our members". "We want to put on an event, but only for the people of our community".

In December 2010 Bonby and Worlaby joined Brigg, Wrawby, Cadney and Howsham. Thankfully a fellow priest has been covering the Sunday services at Bonby and Worlaby, but he is retiring soon. A group of us, myself and one representative from each parish, have therefore begun to meet to discern the best way forward. As the first meeting progressed and we discussed the issues at hand, I was left feeling very humbled. Those who know me know I do not particularly like meetings – "minutes are taken, hours are lost". But the meeting with the representatives was fantastic. The Christian Ethos prevailed; love, charity and a concern for the common good of these five churches, their wider communities, and my own health, wellbeing and sanity were at the forefront of each person's mind. It was a privilege and a joy to chair the meeting.

The Church of England exists for the benefit of her non-members; it is the Parochial, rather than a congregational Church. But it is more than this; it is part of the holy catholic and apostolic Church – universal across time and space. Whilst we operate within the parish system, the parish is the smallest unit. St Mary the Virgin, Wrawby is not "a" Church; it is part of the Church, part of a group with Bonby, Worlaby, Brigg, Cadney and Howsham. Part of the Yarborough Deanery in the Diocese of Lincoln, in the province of Canterbury, in the Church of England in the universal Church of Christ.

It's only when congregations and PCCs look beyond the local, and beyond the territorial, remembering that we are part of a much bigger picture, that we can begin to do Gods work. Our Lord commanded those who would be Christians to go and make disciples of all the nations, and not to make ourselves cosy in our own little corner of the kingdom and regard ourselves as individual units. Being a Christian is a corporate calling. We live and function in community. When we do this, Churches begin to learn from each other, support each other, and grow together, and in the same way, so can the Church and society.

Wouldn't it be good if the Church universal began to look beyond its territory and worked more closely within society once again in order to re-establish the values of mutual respect, care for those beyond our group and concern for the common good of all humanity? The values that shaped the planning group meeting the other week are values that the Church and society should keep at the forefront of our minds, if not for the sake of God, then out of regard for our fellow humanity.
