## KEEP WRAWBY TIDY!

**Join a village litter pick on Saturday 15th June** organised by Wrawby resident Sean Greenfield as part of his Duke of Edinburgh Bronze award. Sean has already received several offers of help from villagers, following an appeal in last month's Wrawby News and would like to extend his thanks to everyone who has given encouragement and support. As many residents will be aware, Wrawby faces a constant battle against litter, particularly along the ditches of Barton Road, Brigg Road and Kettleby Lane and around the playing fields. Sean has organised the litter pick to be held on 15th June and invites anyone who is able to help to meet in the Church car park at 10am.

The Parish Council adds that it is delighted with the work that Sean has already done so far around the village and also by the number of residents who have volunteered to help him. There is a marked difference in the volume of litter on the main road through Wrawby. North Lincolnshire Council has promised to supply litter grabber tools and sacks and the Parish Council have purchased 10 hi-visibility jackets. It is great to know that we have such public spirited residents in Wrawby and the work should stand us in good stead for the best kept village competition this summer. More volunteers are of course very welcome.

Forget Newton and Galileo. Here are the real laws of nature:

1. Law of Mechanical Repair - After your hands become coated with grease, your nose will begin to itch.
2. Law of Gravity - Any tool, nut, bolt, screw, when dropped, will roll to the least accessible corner.
3. Law of Probability - The probability of being watched is directly proportional to the stupidity of your act.
4. Law of Random Numbers - If you dial a wrong number, you never get a busy signal and someone always answers.
5. Supermarket Law - As soon as you get in the smallest line, the cashier will have to call for help.
6. Variation Law - If you change traffic lanes, the one you were in will always move faster than the one you are in now.
7. Law of the Bath - When the body is fully immersed in water, the telephone rings.
8. Law of Close Encounters - The probability of meeting someone you know increases dramatically when you are with someone you don't want to be seen with.
9. Law of the Result - When you try to prove to someone that a machine won't work, it will.

## VILLAGE HALL REPORT

The Village Hall Committee held their Annual General Meeting last month. The Officials were re-elected to the same positions. The Chairperson is Susan Day, Treasurer is Graham Foster, Secretary is Kirstin May and the Bookings Secretary is Susan Day.

The hall has had a very successful year and been well booked: in fact there are no free week-day evenings at present and the hall is also well used in the daytime and at weekends. Some of the money received from the bookings has been spent on new chairs, a kitchen trolley, new kitchen floor and various pieces of kitchen equipment. The committee has decided to invest money in new lighting for both the hall and the meeting room, upgrade the electricity supply to the kitchen and then replace the existing cooker with a more powerful one.

The village is very fortunate to have such a fantastic facility and the committee wishes to encourage people to use the hall and support the various events which take place there from time to time. Bookings and further information can be obtained by ringing Susan Day on 01652 653699 or e-mailing her on dick@day9.freeserve.co.uk

### Dog Poo Bags!

A reader requests .....

As a walker who regularly uses the footpath which goes from Highfield Lane in the village to Brigg, I wish to ask politely that those who take the time and effort to clear up after their dogs, take the plastic bags home with them, rather than throw them in the hedgerows or leave them on the side of the footpath!

They look very unsightly and do not decompose but make the lovely lane look very untidy!

## CHARITY RUN IN MEMORY OF JACK BARRATT

Following the tragic death of Wrawby resident Jack Barratt, 21, in February, his girlfriend Laura Hopton has undertaken a fundraising mission to raise £2,100.00 for the Lincolnshire and Nottinghamshire Air Ambulance Charitable Trust. Laura is aiming to raise £100 for each year of Jack's life and is currently in training for the York Race for All 10k. Later in the year, she will be heading to Scotland to climb Ben Nevis. Laura has chosen to support the Air Ambulance because many people are unaware that it is run entirely on charitable donations and sadly, it has been called out to several incidents in the village in recent times.

If anyone would like to support Laura, you can do so very easily by visiting her JustGiving page at [www.justgiving.com/jackmowglibarratt](http://www.justgiving.com/jackmowglibarratt) (this link is also available via [www.wrawby.org.uk](http://www.wrawby.org.uk)). You can also read more of Laura's story and find out more about the Air Ambulance on this page.

As a separate fundraising event, a group of family and friends recently walked from Brigg to The Deep in Hull, to raise money to buy a memorial bench which will be situated at the junction on Brigg Road where Jack lost his life.

## Everyclick and Give As You Live

You could be helping St Mary's Church Wrawby by doing nothing – at least nothing more than you already do if you use the internet.....

Everyclick and Give As You Live are "charity facilitators" who pass on to your registered charity – St Mary's Church is one – the fees that on-line retailers would normally pay to search engines such as Google and Yahoo. It costs you nothing, you get your purchases at the same price but it makes a difference to St Mary's Church.

Six supporters from the village have already raised well over £200 for St Mary's Church. Please consider making EveryClick your search engine of choice and making your purchases through Give As You Live.

It is very simple to get started. Just go to <http://www.everyclick.com> and sign up following the prompts on screen, then select St Mary's Church as your nominated charity. Once you have signed up, your computer will automatically use Everyclick as its search engine and you can see a running total of how much has been donated to St Mary's Church.

**Christian Aid Week** - Wrawby people gave very generously to this year's Christian Aid collection. Thank you to all who gave! The sum of £1,081.56 was raised which was a great result! Twenty five collectors from the village made it happen. Many many thanks to them as well!

Money given to Christian Aid is well spent. It changes lives, going to people in poverty who are already trying to help themselves. They work through partner organisations, NEVER through Governments. If you would like to know more about their work why not look them up on the web?

**Church Organ** - following the theft of lead from the Church roof last year, the organ suffered water damage when the roof subsequently leaked, which has resulted in the organ being out of use temporarily whilst it is repaired.

**Village Organisations - North Lincolnshire Koi Society** meets on the 2nd Wednesday in the month at The Black Horse. It starts at 7.30pm for 8.00pm and new members are always welcome. There are trips to venues, outlets and members ponds as well as a photo competition. A copy of the newsletter is available on the village website and the next meeting is on 12th June.

**Cream Scones and Coffee** - On the first Saturday every month, there is a coffee morning in the church from 10.00am to 12 noon. Why not pop in to sample cream scones and relax over a cup of coffee (or tea if you prefer!)? All are welcome.

**Quiz in aid of Arthritis Research** - Inner Wheel of Immingham are running a quiz in Wrawby Village Hall on 1st June from 7.00 p.m. for teams of 4 to 6 people. Tickets are £8 including a ploughman's supper. Please bring your own drink. Ring 07828 061859 or 01652 658426 for tickets.

When Jesus taught his disciples to pray, he told them to pray to "Our Father who art in heaven...". He was trying to teach them that the God whom they worshipped was a God who cared about them and knew them. He was making them aware that they could come to God in a similar way to coming to their natural father for help. That they could see God as not some distant deity but an active part of their life.

Traditionally, fathers act in a protective, supportive and responsible way towards their children. Involved fathers offer developmentally specific provisions to their sons and daughters throughout the life cycle and are impacted themselves by doing so. Active father figures may play a role in reducing behaviour and psychological problems in young men and women.

In the first years of the 21st century, there has been a growing awareness about the importance of healthy father-child relationships. "Among these benefits are higher levels of school performance and increases in healthy behaviours... For example, children raised with significant positive father involvement display greater empathy, higher self-esteem, increased curiosity, higher verbal skills, and higher scores of cognitive competence." (Quote from Why father care is as essential as mother care for your child).

In 2009, the **Ministry of Community Development, Youth and Sports** in Singapore commissioned a survey on the perception of fatherhood. It polled 2,220 Singaporeans and permanent residents aged 18 and above. The findings: **Fathers can be more involved in children's lives.**

99% think that both parents should be involved in their children's upbringing.

97% think fathers have an important parenting role

83% agree that fathers are involved in their children's lives

77% think fathers are as good as mothers in caring for children.

**Fathers still seen primarily as breadwinners** What do you think are a father's roles and responsibilities? Respondents were asked to give up to three answers.

Top five answers:

Be a breadwinner (46%)

Be loving and provide emotional support towards children and family (36%)

Help children with learning and school (18%)

Be a role model for children (18%)

Provide moral or spiritual guidance (17%)

For each of us our fathers will provoke different reactions from us depending upon the closeness of our relationship to him; he could be seen as loving and caring, authoritarian and frightening, friend, someone with whom you could go for help and advice, always there when you need them, or even distant and unapproachable.

It can be a difficult role to play and perhaps fatherhood or the perceptions of the role that fathers have to play has changed over the years. June 16<sup>th</sup> gives us an opportunity to share our thoughts with our fathers as it is Father's Day.

Nigel
