

Church and May 2011 Community News

15 - 21 May 2011 is Christian Aid Week

Ending poverty

- Christian Aid helps people in poverty out of poverty.
- More than that, it helps people help themselves out of poverty.
- In for the long haul – there before the disaster, during it, and long after the cameras have left. Christian Aid support comes in long-term relationships.
- Through the eyes of the poorest, Christian Aid has sight of one the greatest possible changes – that poverty can be ended.
- Human history is defined by those who went out on a limb for others. Claimed the improbable, believed the impossible, achieved the inconceivable. How? By harnessing the miracle of community.
- One individual can do a lot. A committed community can do anything.

WALK THE WALK.....

On 14th May, five Wrawby ladies will walk a half-moon route of 13 miles through London's Hyde Park wearing a decorated bra to raise money and awareness for breast cancer care. Lindsey Taylor, Rosie Rooker, Louise Tandon, Elaine Southern and Julie Hebblewhite are forming a team to be known as the "Wrawby Wanderers".

The walk starts at midnight and they are aiming to raise as much money as possible for this very worthwhile cause. You can donate/sponsor either by contacting any of them personally or by going to http://www.walkthewalkfundraising.org/wrawby_wanderers.

Meanwhile, our local Marathon Runner says:

A HUGE THANK YOU to everyone that gave me money. The total so far is £1000.

I had an amazing day and my time was 5 hours 55 minutes and 49 seconds. As my training had only got to 2 miles due to my sprained ankle, I am highly elated with this.

Again a HUGE THANKS. You are the best village ever.

PARISH COUNCIL NEWS

The village has once again entered the CPRE organised **Best Kept Village** Competition. A poster advertising this has been placed in the notice board.

Campaign to Protect
Rural England

The **police report** that there were three recorded crimes in the village in February (2 thefts and an incidence of criminal damage) but since then there have been a number of break-ins and attempted burglaries in the village. Residents are once again asked to remain vigilant and to report anything suspicious or abnormal.

Council has been advised that there are further works needed on the **A18 Railway Bridge** on the Wrawby-Melton Ross road - the road is to be closed on ten Saturday nights (11pm to Sunday 10am) from 7th May until 16th July (excluding 9th July). A diversion will be publicised before work starts.

The Communities and Environment Division of North Lincs Council is keen to stamp out incidents of **enviro-crime** (dog fouling, littering, fly tipping, graffitti etc.) and all residents are requested to ring Stephen Coulman, Environmental Health

Manager on 01724 297000 if any such incidents occur.

A further **kerbside collection** scheme will be undertaken on behalf of North Lincs Council. The items to be separately collected are small waste electrical and electronic equipment (kettles, stereos, hair dryers/stylers, keyboards, toasters etc.) Full details will be advised shortly.

You can now contact members of the Parish Council on the following e-mail address:

Wrawby Show 2011

The weather over the Easter weekend is a reminder that Summer is on the way, bringing with it, among other things, the annual Wrawby Show. Now is the time to start "sowing and shooting" if you want to have winning exhibits so here's some advance notice of some of the Classes that need a bit of planning in time for the Show on 6th August!!

- The Floral Art categories are "New Arrival" and "a Petite Arrangement".
- The Photograph classes are: "Holiday" and "Weather"
- The children's Photograph class "Holiday memories during the last year"

MARROW COMPETITION

The Show committee is giving a marrow seed to each school child in Wrawby for them to grow their own marrow to enter into the show, with the following instructions on how to grow the marrow:

Sow the seeds where they are to grow between end of April and middle May, water, cover with container. When plants appear and frosts have finished remove the jar and keep watered. As marrows appear feed, water and watch them grow.

The Class is open to any child in Wrawby up to age 16 years. Any youngsters not receiving a seed from school can collect one from Mrs. A. Greenfield, Ridge Cottage Brigg Road Wrawby or Mr P. Coult, Lilac House, Highfield Road, Wrawby.

Bring your Marrow to the show on 6th August and it will be entered in a special class.

Please note that the timing of the Show has changed this year. **Exhibits need to be placed in the Village Hall between 8am and 11am, and the Show will open at 2pm instead of 3pm.**

Don't forget that from May 3rd *Wrawby St. Mary's Teddy Bears Club* will meet on the first **Tuesday** of each month between 10.00 am and 11.30am in Church.

Christian Aid Week: The miracle of community

Gustavo Adolfo Talavera is a coffee farmer and community leader in Jinotega, Nicaragua. He is one of the founding members of a cooperative which has been selling coffee through Christian Aid partner Soppexcca for over 12 years. He says:

'I don't know how to read or write and I did not want my children to be like me. I did not have the opportunity to go to school, so I tell my children to study and do what I couldn't. We fight so that the new generation, the children, are able to steer this boat.'

Gustavo is illiterate. But he wanted his children to be educated. There was no school in the village so school lessons were held in his front yard with the children sitting on the ground. When it rained, they got soaking wet. This happened for many years. And then Soppexcca, funded by your efforts in Christian Aid Week, came along. It gave the community a better price for their coffee, helped them improve the quality of what they were producing and, crucially, pooled their efforts as a community to start building a school. That was nine years ago.

Farmers started producing high-quality coffee and began receiving a higher price for their coffee beans. Their quality of life improved and an end to poverty came into sight. They ploughed their profits back into their own community and not only managed to build the school Gustavo dreamt of, but a health centre as well.

Now the children in Gustavo's community are looking at a future where poverty doesn't define their lives. For example, Gustavo's daughter and other young people in his community now go to university, and his niece Martha is being trained in the Soppexcca youth-movement programme. She is taught to protect the environment, to learn new skills, to take control of her future and to be part of a community working its own way out of poverty.

This is what Christian Aid Week can achieve. But this is just one story. We know that there are one billion people living in extreme poverty today. One billion reasons why we cannot sit back and do nothing.

There are stories like this from around the world. Life-changing transformation is possible when we come together. Our communities alongside their communities: a miracle of community.
