November 2014  
News

## LEST WE FORGET...

Remembrance Sunday, the second Sunday in November, is the day traditionally put aside to remember all those who have given their lives for the peace and freedom we enjoy today. On this day people across the nation pause to reflect on the sacrifices made by our brave Servicemen and women. In particular, thoughts will rest with all those affected in whatever way by the outbreak of World War I, a hundred years ago.

Remembrance Sunday this year will fall on **Sunday 9 November in 2014**. There will be a service at St. Mary's church starting at the slightly **earlier** time of **10.45a.m.** to allow for the observation of the nationwide two minutes' silence at 11.00 a.m.

There will be an official representative for the Royal British Legion going from door to door around the village between 25th October and 11th November, selling poppies for the Poppy Appeal.

## VILLAGE HALL LUNCHESES RETURN

We are delighted to confirm that four Village Hall lunches will be held at 12.30pm on **Tuesdays 18th and 25th November and 2nd and 9th December**. The last lunch on 9th December will be the Christmas lunch complete with a visit from Father Christmas. We hope that as many of you can join us for as many as possible!

bring them to visit...

## Christmas Craft Fayre & Park Grand Opening

Sunday 23<sup>rd</sup> November 10am - 2pm

By the time this article goes to print, all of the new play equipment should have been installed at Wrawby Park! We hope you and your children will like all of the changes that have been made and enjoy the park for many more years to come!

To celebrate the installation of the new equipment, we are having a grand opening of the park alongside our Christmas Craft Fayre on Sunday 23<sup>rd</sup> November. There will be lots of stalls, bacon buns, face painting and much more. We are hoping to raise enough money for additional seating and possibly some landscaping to add the finishing touches to the park.

We are therefore looking for tombola and raffle prizes, which can be dropped off at Angela's house - The Spell, Tunnel Road. Any cakes for the cake stall would also be much appreciated. These can either be dropped with Angela or at the village hall on the day of the craft fayre.

We hope that the village will come out once again to support us as you did last year and we look forward to seeing you all there!!!!!!

Thank you in advance for your continued support,  
Angela and Kirby.

### Nominated Neighbour Scheme

The 'Nominated Neighbour' scheme is starting a six-month trial on 3rd November. The scheme is aimed at vulnerable people, who are provided with a pack and door card to hold up if they are approached at their home by someone they don't know. The card states they do not answer the door to strangers and suggests an address (the nominated neighbour) where the caller should contact or visit to discuss their reasons for visiting the property. In the pack will be a booklet explaining how the scheme works, the role of the Nominated Neighbour and a form to complete, stating they are one. Please contact Julie Smith on **652084** if you would like further information.

## HOME SECURITY MONTH OCTOBER 2014

Following the clocks going back on 26th October, the nights quickly turn darker and you need to ensure your property is secured. Most burglars are opportunists and will break into homes that are easy targets. Good security and basic precautions reduce the chance of your home being burgled.

Below is a checklist of the most common entry points used by criminals. By reviewing the security in and around your house, you can identify areas where additional burglar prevention may be required.

|  |     |   |
|--|-----|---|
| Are all the boundaries in good condition?  | Y/N | Check for weak points or easy entry points  |
| Are the front boundaries no more than 1m and the rear no more than 1.8m?                   | Y/N | Low front boundaries give good visibility whilst high rear boundaries provide good security. Review new products on the market eg passive infrared sensor which will send you a text if your perimeter is breached. |
| Do you have locked side gates at all access points?<br>Are trees and shrubs well trimmed?  | Y/N | Secure side entrances with lockable gates will minimize ease of entry.<br><br>This helps prevent burglars being able to hide and be unobserved  |
| Is there outside security lighting, including covering the front of the property?          | Y/N | Good lighting is essential for deterring burglars. Use low level dusk to dawn lighting which comes on during darkness. Motion activated lighting  |
| External doors - are they in good condition and strong enough to withstand a forced entry? | Y/N | Frames should be fitted and doors should be certified to the British Standard. Ensure locks have Euro profile cylinders to TS007 standard.  |
| Is a security chain or door spy-hole fitted?   | Y/N | Always use a chain and check the identity of unknown visitors. Review new market products such as a doorbell with digital door viewer.  |
| Are patio doors fitted with robust locks?  | Y/N | Ensure an "anti-lifting" device with 5 locking points is fitted.  |
| If you go to work outside eg garden or garage, do you lock the house?                      | Y/N | Lock the door even when you are about. Over 33% of burglars use poor security as a means of entry.  |

## WRABY ST MARY'S CE PRIMARY SCHOOL - SCHOOL TRAVEL PLAN

The School Governors are looking to revise the school travel plan. A School Travel Plan promotes sustainable modes of travel by encouraging walking, cycling, use of bus services and making more efficient use of the car if there is no alternative. The obvious by-products of a reduction in traffic movements are a safer, healthier journey, regular exercise, flexibility, a reduction in pollution and at the same time encouraging independence and social responsibility.

Working closely with pupils, parents, staff, governors, residents, local councils etc., the school is looking to develop a plan representing all views and supported by the community.

In order to help develop the plan we are seeking the views of the local community, particularly of those residents living near the school. Please can you let us know your views in writing, either by letter to the school or in email to [admin.wrawby@northlincs.gov.uk](mailto:admin.wrawby@northlincs.gov.uk). These views, along with those of pupils, staff and parents/guardians, will be incorporated into the new document. Once completed the document will be available via the school website.

### Reflection

There have been many events this year marking 100 years since the beginning of the first world war, including our own amazing weekend here in Wrawby earlier in the summer. On 9th November millions of people across Britain will stop again to mark Remembrance Sunday recalling not only those who fought 100 years ago, but also those who fought 30 years later in the Second World War, and indeed later conflicts right up to the present day.

The sentiments shared by those who served and lost comrades, those who waited and lost family, those whose communities were changed, have remained the same over the many decades. Whether it be as a result of loss on the Somme, or on the Normandy beaches, or in the desert of Afghanistan or many conflicts in many other places. The feeling of loss, of gratitude, of pride at their bravery and sacrifice on our behalf remains the same.

Many ask where was God in all this? It is important to remember that when war broke out in 1914, every member of the British Armed Forces were given a Bible as an essential part of their equipment. Many are the testimonies of how reliant soldiers were on their bibles. For some it was literally a life saver in that it stopped bullets from hitting them (bullets being found lodged deep in the pages). Others found it linked them with their loved ones back home (they may have agreed to read the same texts). Some found an inner strength from the scriptures they read. There are many poignant stories from the battle of the Somme of bodies recovered from shell holes of men who died with a new testament clasped in their hand.

Even today, chaplains are important members of the armed forces, as is collective worship. Sometimes when the threat of death is all around you it is consoling to know that God is with you and that Jesus has conquered death and gone before you. God does not take sides, He is, however, passionately concerned for individuals, you and me, in whatever situation we find ourselves in. He made us. He loves us. He seeks our love in return. In peace or war God is with us. Nigel
